

Innocap Proud to Support Moisson Montréal Employees lend a helping hand to the organization

Montréal, November 29, 2013 – Innocap Investment Management Inc. ("Innocap"), a strategic alliance between National Bank of Canada and BNP Paribas, is proud to support various charitable organizations, a gesture that stands at the heart of its values. Among other charities, Innocap helps Moisson Montréal, an organization whose mission consists in assisting those with nourishment needs.

As part of this initiative, 18 Innocap employees have contributed their time and energy to lend the organization a helping hand. They proudly took part in various chores to help the less fortunate across the Island of Montréal.

"If we are able to continue our work to provide optimal support to the community, it is because our employees and volunteers are driven by and share a deep sense of service and of generosity. Volunteers, such as Innocap employees, allow us every day to pursue our mission" explains Dany Michaud, Executive Director of Moisson Montréal.
