Innocap Investment Management Inc. (“Innocap”) is pleased to announce the appointment of Martin Doucet as Executive Vice-President and Chief Operating Officer.

Prior to joining Innocap, Mr. Doucet was Vice-President, Capital Management at National Bank of Canada (the “Bank”). Through his 15-year career at the Bank, with his strong team leadership and execution skills, he has managed several key projects related to the Bank’s strategy to optimize capital management, major regulatory-related changes, key risk oversight and measurement initiatives, implementation of Bank-wide revamped management processes and associated IT changes, all of which with an emphasis on change management and client satisfaction. Mr. Doucet holds a MBA in Finance, a BA in Economics from the Université du Québec à Montréal. He is also a Chartered Financial Analyst (CFA) and a Professional Risk Manager (PRM).

“The arrival of Mr. Doucet marks an important stepping stone in Innocap’s growth plan and we are very happy to have someone with his diverse background join the company. Given our recent successes, the strong team in place and Mr. Doucet’s arrival, we are now exceptionally positioned to continue servicing clients and establish our position as a global leader in the Managed Account industry”, stated Innocap’s President and Chief Executive Officer, François Rivard.

We take this opportunity to welcome Mr. Doucet in his new position.
